

EVERYBODY LIKES BRAND NEW PLANES.

If you were to ask Eddie, which you should totally do, his two biggest loves in the world, he'd tell you one is receiving hugs, and two is anything brand new. And two A. are those red mini-goldfish candies with that Italian orange soda.

A new airline means new planes and a completely new flying experience, not just because the planes are new, but because it's a new experience. You'll see. Low fares to SF, NY, LA, Washington Dulles and Vegas.
