

EVERYBODY LIKES MASSAGING CHAIRS.

Leaf will never turn her back on a massage. Well, she will turn her back so it gets massaged. That's just a figure of speech which really doesn't work well in this instance. You have to be careful with figures of speech. All we're saying is she likes a massage.

In first class, you will get a massage from a chair. You'll also get low fares to SF, NY, LA, Washington Dulles and Vegas.
